

3rd Grade Bike Giveaway and April Fools Ride

It is the time of the year we prepare for our 3rd Grade bike giveaway! We will be giving 6 bikes away to our lucky winners again this year and we would love to have your school participate again. We are hoping to come by the schools sometime this month to talk with the students about the competition and our ride, we will also hand out supplies for the drawings.

Please let us know if you would like to participate and what day would work best for us to talk to the students.

If I need to talk to anyone else to arrange this please let me know.

We will plan on picking up the drawings before spring break.
If you have any questions please let us know at
Bicycleadventure54@gmail.com or call 970-743-3400.
